

## HATLEY TO LEAD BUSINESS BANKING TEAM

**GALLATIN, Tenn.**—June 29, 2006 – Keith Hatley has been named Manager of Business Banking at Sumner Bank & Trust. In this role, Hatley will manage the bank’s contact program that will be proactively identifying and meeting the needs of business owners and professionals in the communities we serve.

Hatley joined Sumner Bank & Trust while it was in organization. He has served as branch manager in addition to Business Development Officer.

“Keith has over 15 years of banking experience working with individuals and business owners in Sumner County,” Mike Cook, president of Sumner Bank & Trust said. “He is a perfect fit for leading the bank’s business development program.”

“While I will miss being in the 240 West Broadway location on a daily basis,” Keith Hatley explained, “my new responsibilities will allow me the opportunity to see my existing customers more as well as create new relationships.”
